Academic qualifications

Degree	University	Major Graduation	Date
Bachelor	University of Technology,	Architecture,	1992
Master	University of Baghdad	Urban Planning	1999
PhD	University of Baghdad	Town Planning	2003

Academic Rank:

Academic rank	Date of obtaining	The awarding
Assistant Lecturer	1993	University of Technology
Teacher	2004	University of Technology

Administrative positions:

Job	Employer
Engineer, Teaching Instructor	Iraqi University University of technology , University of Tikrit, Civil Engineering Department
Instructor	Al-Nahrain University/Department of Architecture
Instructor	University of Babylon/Department of Architecture
Head of the Department	Samarra University / Department of Architecture
Instructor,	University of Samarra/Department of Architecture

Conferences:

Conference name	Conference venue	Date
The Second Architectural Conference of the Iraqi Engineers Syndicate,	Iraq	2000
The First and Second Scientific Conference of Babylon University,	Iraq	2010-2011
The Fourth Scientific Conference on Engineering and Environment in Antalya	Turkey	2019
The 12th Scientific Conference on Architecture in Cairo,	Egypt	2013
The Third International Scientific Conference at Al- Qadisiyah University,	Iraq	2022

Supervision of undergraduate students:

Research title	Number of students	Date
Samarra Panorama (Development of the area around the Great Mosque of Samarra	2	2020
Designing an oncology hospital in Tikrit	1	2021
Design of an engineering and technology research center	1	2021
Development of the area around the shrines of Imam Ali Al- Hadi and Al-Hassan Al-Askari	2	2017

Scientific production (published):

The effect of the Iraqi local climate on the design of the Abbasid palaces.-

Courses (subjects):

Course name (subject)	Academic year	Place of teaching
Architectural design / fourth stage	2000-2004	Department of Architecture at the University of Technology
Installation of buildings/the second and third phases	2004-2005	Department of Architecture at the University of Technology
Architectural design / fifth stage	2007-2008	Department of Architecture at the University of Technology
Architectural design / Third stage	2009-2010	Department of Architecture/Al-Nahrin University
Engineering drawing/first stage	٢٠١١-٢٠١٠	Tikrit University/Civil Engineering Department
Building installation / second phase	2010-2011	Tikrit University / Department of Civil Engineering
Architectural Design Logic and Methodology / Third Phase	2010-2011	Babylon University / Architectural Engineering Department
Engineering drawing subject / third stage	2012-2013	Samarra University / Archeology Department
Engineering drawing subject / third stage	2012-2013	Samarra University / Archeology Department
Logic and methodology of architectural design / third stage	2014-2015	Samarra University / Department of Architecture
Principles of Planning / Third Phase	2013-2014	Samarra University / Department of Architecture
Principles of Art and Architecture/First stage	2012-2013	Samarra University/Department of Architecture
Architectural design / first phase	2012-2018	Department of Architecture at the University of Samarra
Housing / Phase IV	2015-2016	Samarra University / Department of Architecture
Architectural Design / Third Phase	2014-2015	, Department of Architecture at the University of Samarra
Architectural Design/ Fourth Phase	2016-2017	Department of Architecture at Samarra University
Architectural Design Logic and Methodology / Third Phase Department	2010-2011	Babylon University / Architectural Engineering
Engineering drawing subject / third stage	2012-2013	Samarra University / Archeology Department
